Learning Methodology

The YLA™ will be comprised of:

- Experiential Learning in which the participants will be highly engaged and involved to learn through their experiences individually and in small groups.
- Zoom session format with Action Learning techniques to heighten the learning experience of each participant.
- World class Certified Coaches and Trainers who have in depth knowledge and success of working with youth and young professionals around the world.

Module A: Strengths

Focus: Online behavior survey plus individual participants report

- What is your thinking preference and communication style?
- What are your strengths and opportunities?
- How to enhance better communications and relationships?

Module B: Communications

Focus: To prepare and deliver an Impactful Presentation

- How to prepare your Presentation with the Audience in mind?
- How to logically structure your Presentation?
- How to develop your performing skills?
(i.e. Vocal Variety, Eye Contact, Gestures and Movement)

Module C: Teamwork

Focus: To collaborate as a “High Performance Team”

- How to become a High Performance Team?
- What is my “Benchmark” or starting Point?
- How can I improve my collaboration as a member of a High Performance Team?

Module D: Confidence

Focus: To bring it altogether

- How to heighten your overall confidence?
- How to enhance your leadership skills?
- How to present your learnings?
